In an emergency, Company shall give such notice as is reasonable in the circumstances. Notice given on the alphanumeric channels on Basic Cable Service shall be considered sufficient. During the rebuild of the Cable System, Company shall not be required to provide 24 hour notice of any interruption of service if such interruption is the direct result of rebuild work. However, Company shall be required to provide written notification to Subscribers and the Town of planned rebuild work schedules and when Subscribers may experience service interruptions in excess of four hours. Company shall use its best efforts to minimize the length of any service outage due to the rebuild. In the event of the commencement of any action against the Town, or its councilors, officers, agents, employees, or members of boards and committees which is within the scope of this indemnification, the Town will give notice thereof to Company within fifteen business days after the Town is formally served in any such action, and, after consultation with the Town, Company will have the right to select and furnish counsel for the defense of any such action, at no cost or expense to the Town. The Town's failure to give timely notice to Company of the commencement of any such action shall not relieve Company of its obligations under this section unless such failure to give timely notice causes actual prejudice to Company's ability to defend any such claim. Except for settlements involving only the payment of money, no settlement which creates an obligation for the Town, of any such action, or any claim therein, shall be made by Company or by counsel selected by Company without the approval of the Town, which approval shall not be unreasonably withheld.

The extent of the indemnification agreement will not be limited by the requirements for liability insurance in this Agreement.

Company shall obtain and maintain during the term of this Franchise Agreement, at its sole cost and expense, and file with Town, an irrevocable performance bond, running to the Town, with a surety authorized to do business as a surety in the State of Maine, to guarantee the faithful performance by Company of all of its obligations under this Franchise Agreement. In the event that any portion of the performance bond is forfeited or withdrawn for any reason, Company shall be required to post an additional bond in an amount equal to the forfeiture within 30 days of the date of the forfeiture or withdrawal. Failure to post an additional bond on a timely basis shall constitute a violation of a material provision of this Franchise Agreement within the meaning of Section 26 (a)(1) hereof.

E. Town Rights

The rights reserved to the Town with respect to the Performance Bond are in addition to all other rights of the Town, whether reserved by this Franchise Agreement or authorized by law, and no action, proceeding or exercise of a right with respect to such sections shall affect any other rights the Town may have.

Records should be produced within 5 business days of receipt of written request, unless for good cause Company responds that a longer amount of time will be needed. Such written notice from the Town shall specifically reference the section or subsection of the Franchise which is under review, so that Company may organize the necessary books and records for appropriate access by the Town. Company shall not be required to maintain any books and records for Franchise compliance purposes longer than three (3) years. Notwithstanding anything to the contrary set forth herein, Company shall not be required to disclose information that it reasonably deems to be proprietary or confidential in nature, nor disclose any of its books and records not relating to the provision of Cable Service in the Franchise Area. audit, and any additional inspection or audit until it is determined Company is in full compliance. In addition, except as federal law prevents the Town from enforcing any standards, if it is determined that Company has not materially complied with FCC standards, the Town shall have the right to charge all costs arising from these tests, including expert fees, to Company until it is determined that Company is in full compliance. Notwithstanding the foregoing, the obligation to pay the Town's costs for tests of the performance of the Cable System shall only arise if the Town's test is (1) a test of an area where Company has represented that it has corrected a problem, and the problem was not in fact corrected; (2) a second test of an area by the Town, where Company had been notified of the problem and been given an opportunity to cure it; or (3) where Company challenged the validity of a Town test, and the Town agrees to retest, and the re-test confirms the validity of the initial Town test. These charges are incidental to the enforcement of the Franchise; they do not limit any right the Town may have to exercise any other remedy.

Company shall provide a Franchise Fee to the Town or its designee, equal to five percent (5%) of Company's Gross Annual Revenues. Company shall pay the Franchise Fee to the Town on a quarterly basis, no later than sixty (60) days after the end of the calendar quarter for which payment is made. If Channels are selected by a viewer through a menu system, said Channels shall be designated as PEG Access Channels.

6. With respect to any new or existing PEG Channel as defined in this Franchise and subject to 30-A M.R.S.A. §3008 (7) (C) and (E), the equipment associated with the interconnection of PEG transmission facilities between a PEG facility and the Company's Head-end within the Company's Cable System as well as the formatting of PEG Programming for transmission to the Subscriber is considered PEG facility or equipment and the costs thereof shall be borne by the Company.

Pursuant to 47 U.S.C. §531(d), the following is the procedure to be followed by the Town to permit Company to use PEG Channel capacity not being used by the Town and to cease such permission.

2. Regardless of the density requirements outlined above, Company shall provide a cost-sharing arrangement as follows. On the request of a resident desiring service, Company shall prepare an engineering survey and cost analysis to determine the cost of plant extension required to provide service to the Subscriber. If a request for extension of service into a residential area requires the construction of cable plant that does not pass at least eighteen homes per mile (aerial) or forty homes per mile (underground), Company and those residents requesting Cable Services will each bear their proportionate share of construction costs. For example, if there are nine single family homes per mile (aerial) who agree to subscribe to Cable Service, Company shall share one-half of the construction cost and the remaining cost will be shared equally among the residents requesting Cable Services. Company may require advance payment of the customer pro-rata cost prior to commencing construction.
3. Installation costs shall conform with the Cable Act. Any dwelling unit within an aerial 125 feet of the Trunk and Distribution Cable shall be entitled to a Standard Installation rate in accordance with applicable federal and State laws. 4. Provided Company has at least ninety (90) days' prior written notice concerning the opening of residential subdivision trenching, or of the installation of conduit for the location of utilities, and the density requirements outlined above are met, it shall install its cable in such trenching or conduits or may seek permission to utilize alternative trenching or conduits within a comparable time frame. The Town, or its designee, shall exercise reasonable efforts to have the Planning Board and developers give timely written notice of trenching and underground

construction to Company. Developer shall be responsible for the digging and back-filling of all trenches.

The Parties shall not be responsible for any delay or failure to perform their obligations under this Franchise Agreement if doing so is prevented by Act of God, flood, storm, fire, explosions, strikes, riots, wars whether or not declared, insurrections, epidemics, or any law, rule or act of any court of competent jurisdiction or instrumentality of government or any cause or event beyond the control of the Town or the Company.

B. Severability

If any provision of this Franchise Agreement is held by any court or Federal or State agency of competent jurisdiction to be invalid as conflicting with any Federal or State law, rule or regulation now or hereafter in effect, or is held by such court or agency to be modified in any way in order to conform to the requirements of any such law, rule or regulation, said provision shall be considered a separate, distinct and independent part of this Franchise Agreement, and such holding shall not affect the validity and enforceability of all other provisions hereof, all of which shall remain in full force and effect for the term of this Franchise Agreement.

C. Effect on Prior Agreements

This Franchise Agreement shall supersede any prior franchise agreements between the Parties. Immediately upon the taking effect of this Franchise Agreement, all prior franchise agreements and any and all extensions thereof, shall terminate and shall have no further force and effect; provided, however, that any vested rights relating to billings and the Town's rights to receive franchise fees shall not be affected thereby.

D. Non-Enforcement Not Waiver

Neither Party shall be excused from complying with any of the terms and conditions of this Franchise Agreement by any failure of either Party upon one or more occasions to insist upon or to seek compliance with any such terms or conditions. No course of dealing between the Company and the Town, nor any delay on the part of the Town or Company in exercising any rights hereunder, shall operate as a waiver of any such rights of the Town or Company or acquiescence in the actions of the Company or the Town in contravention of such right, except to the extent expressly waived by either Party or expressly provided for in this Franchise Agreement. No decision by the Town or Company to invoke any remedy under this Franchise Agreement or under any statute, law or ordinance shall preclude the availability of any other such remedy. This provision does not extend any applicable statute of limitations.

E. Company Warranties

1. The Company is duly authorized to do business under the laws of the State;
2. The Company has the requisite power and authority under applicable law and its bylaws and articles of incorporation and/or other organizational documents, is authorized by resolutions of its Board of Directors or other governing body, and has secured all consents which are required to be obtained as of the execution date of this Franchise Agreement, to enter

into and legally bind Company to this Franchise Agreement and to take all actions necessary to perform all of its obligations pursuant to this Franchise Agreement;

3. This Franchise Agreement is enforceable against Company in accordance with the provisions herein; and
4. There is no action or proceedings pending or threatened against Company that would interfere with performance of this Franchise Agreement.
