

As part of the current Capital Budget, I sent requests for proposals (RFP) to eight (8) Ford dealerships. These requests were for two vehicles, one patrol cruiser and one Chief's cruiser. The proposals were due on 20 July 2016 and opened on 22 July 2016. Four proposals were received.

The bid results showed Casco Bay Ford in Yarmouth as the lowest bidder. The cost of the patrol cruiser is \$24,349.00 and the cost of the Chief's cruiser is \$24,465.00. The Capital Budget amounts approved for these purchases include the changeover equipment and installation. Cost of the changeover for both vehicles is \$9,761.73. The break down is listed below:

	Capital Budget	Cruiser Cost	Changeover	Total
Chief	\$25,000	\$24,465.00	\$3,983.55	
\$28,448.55

\$30,127.18				
Totals	\$59,000.00	\$48,814.00	\$9,761.73
