

# FREEPORT VILLAGE CORRIDOR INITIATIVE

**Tuesday, June 17<sup>th</sup>**  
**Event begins promptly at 6:00pm**  
**(Doors open at 5:45pm)**

Freeport Performing Arts Center  
30 Holbrook St.

**How would you like to see  
Freeport's Main Street transform  
over the coming decades?**

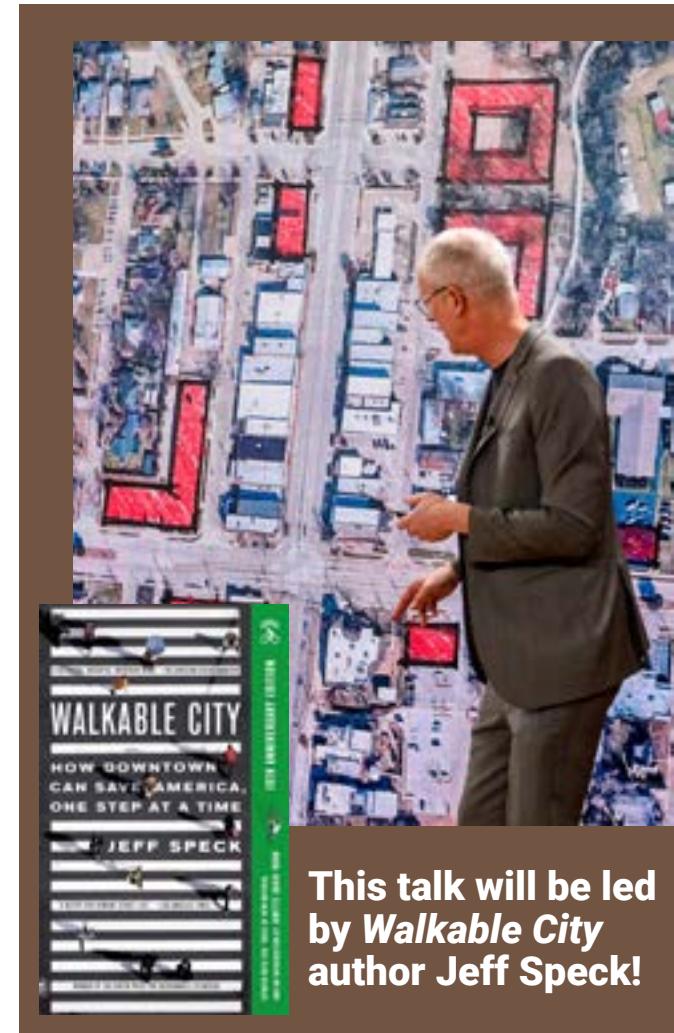

The Freeport Village Corridor Initiative brings years of community-driven planning to life – charting a path for growth and change along the Main Street corridor. The VCI will provide a roadmap to construct a corridor that supports walking, biking, transit, economic opportunity, and new housing.

Village Design expert Jeff Speck will share his insights on how to untap Main Street's potential as a thriving corridor.

Come learn more and share your knowledge and ideas about Main Street!

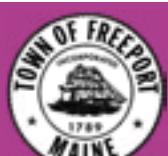

**Free and open to the public!**
