

Be Part of the Solution

There are steps **YOU** can take for a sustainable future. Below are some example actions that can save your household money, shrink your carbon footprint, and support a vibrant community.

Click the **blue** text to navigate to the resource!

Getting Around

- Swap one local driving trip each week to walking or biking
- Commute by [public transportation](#) or [carpool](#)
- Switch your next car to electric—see [rebates and resources](#)

Greening your Home

- See rebates and resources for investing in efficient [home](#), [business](#), and [apartment](#) upgrades
- [Learn if it makes sense](#) to install solar on your home and check out [rebates](#)
- See the [Home Action Guide](#) and [Mainer's Guide to Climate Incentives](#)

Becoming Resilient

- Find health, financial, and education services via phone, text, or by searching the online directory of [211 Maine](#).
- [Learn more](#) about how climate change impacts health and wellbeing
- Learn more and sign up for the [Reassurance Program](#).

Restoring our Land

- Consider enrolling your natural or working lands in [Maine's current use tax program](#) and/or [establishing a conservation easement](#)
- Learn about sustainable landscaping with MOFGA, [Maine Audubon](#) or [Wild Seed Project](#)
- Experiment with ideas for [rewilding](#) your lawn, in favor of biodiversity and native plants

Reducing Waste

- [Learn more](#) about what a Circular Economy looks like
- Read [Reuse 101](#) from Upstream
- Check out ecomaine's [Recyclopedia](#) to search for recycling solutions.
