

Tree Task Force Agenda
February 2, 2023
Town Hall Conference Room, 6:00

Business:

- Caroline Pelletier, Town Planner to address group questions re: status of Comprehensive Plan Review, Town Visioning; Overlay District; mechanisms for evaluating the cumulative impact of new projects/alignment with sustainability measures for codes & ordinances>esp. related to existing conditions site plans, removal of trees and other vegetation, maintenance of existing trees & veg.; promotion of our Public Tree Program.
- FSAB May Lecture , Tree Canopy/Native Planting
- Posting the Project Canopy Report/ getting in touch with those who helped survey/ invite to follow our work. FCT new Executive Director is leaning into more education around private beneficial land management

Informational Exchange:

- Tree Inventory System, Marc-
- Planting Sites- Susan, Tyler
- Tree Program Status- Eric
- FSAB Update - Kristen

Next Steps:

- Jeff Tarling is retiring; more availability to come to one of our meetings?
- Continue downtown-sited tree planting design plan/schedule
- Develop Public Relations Plan ex., web page of informational resources for developers/commercial property owners to facilitate/incentivize alignment with Public Tree Program.
- Discuss Susan's goal to cover private property tree regulations (article she forwarded via 1/8 email re: Cambridge MA)
