Notes:
1) On all islands, areas within 250 feet of the highest annual tide are considered Shoreland Area.
2) All areas identified as 100-Year floodplains as designated on the Federal Emergency Management Agency's (FEMA) Flood Insurance Rate Maps are considered Resource Protection I (RP-I) and are not shown on this map. For information on these areas, refer to the current Flood Insurance Rate Maps (FIRM) prepared by the Federal Emergency Management Agency (FEMA) and as adopted by the Freeport Town Council.
3) Coastal bluffs are not shown on this map. For information on these areas, refer to the most recent Coastal Bluff maps (Freeport Quadrangle, Maine and/or Yarmouth Quadrangle, Maine) published by the Maine Geological Survey.
