Subject: HYC Hoist and Float Layout Modifications
NRPA Individual Permit Application
Dixon Wharf Road, South Freeport, Maine

Dear Regulatory Permit Representative,

This cover letter accompanies an NRPA application for Harraseeket Yacht Club waterfront improvements at their shorefront property in South Freeport. A pre-application meeting held by Zoom in May. Please note the following with respect to this application and related regulatory submission requirements.

1. DEP has been provided an application by EMAIL with the following Subject Line: Freeport-Harraseeket Yacht Club-NRPA-HYC Hoist & Float Improvements in accordance with website instructions. The fee payment has been made by Credit Card.
2. Separate correspondence has been submitted to the Indian Tribal nations and to Maine Historic Preservation Commission with request that they respond identifying impacts, if any.
3. The Army Corps of Engineers has been provided with a complete copy of the application, NOAA and USF&W Threatened & Endangered Species lists, and notices to the Maine Tribal Nations and Historic Preservation Commission.
4. The Town of Freeport Code Enforcement Officer, Harbormaster and Coastal Waters Commission Chair have been provided with electronic copies of the application. A hard copy will be provided to the Town CEO to have on file for public review and to support the forthcoming Shoreland Application.
5. A Project Notice will be placed in Falmouth Forecaster and abutting property owners have been notified by certified mail.

Harraseeket Yacht Club Hoist and Float Layout Modifications
NRPA Individual Permit Application
Dixon Wharf Road, South Freeport, Maine

6. Maine Bureau of Public lands is provided an electronic copy with anticipation of modifications to the existing Submerged Lands Lease.

On behalf of the client, we appreciate early permit consideration on the application. Please do not hesitate to call us with any questions or comments.

Sincerely,

BAKER DESIGN CONSULTANTS, Inc.

Barney Baker, PE
