

Map for Main Street Closure (including proposed preferred routes for detours) Closures begin on Saturdays at 8:00 am and end on Sundays at 8:00pm.

06/30/20: This map has been updated from previous versions to incorporate feedback received from residents and businesses in the community. The proposed area for closure is represented with black/white stripes. Preferred routes for detours around the closure are noted with green (northbound) and pink (southbound) lines with arrows. Two-way traffic will be allowed in the areas noted with a yellow arrow. This plan was approved by MDOT on 06/29/20. The closure will occur the first two weekends in July and then be re-evaluated based upon feedback from the community.
