Town Manager's Report September 15, 2015

The Town will observe Fire Prevention Week this year from October 4-10. During Fire Prevention Week, the Freeport Fire and Rescue Department will host its annual Fire Prevention Open House on Wednesday October 7, 2015 from 5 to 7 pm. This year there will be additional displays and demonstrations from the Freeport Police Department, plus plenty of other displays and activities for the children and adults. Public safety equipment will be on display, there will be a performance from the Maine Pipes and Drum Corps, as well as a police K-9 demonstration, demonstrations by medical providers, and our Public Safety Communications/911 center personnel will be on site as well. The Fire Auxiliary will again be selling grilled burgers and hot dogs (proceeds will benefit the Fire Auxiliary).

Construction has begun on the South Freeport Village roads project, which will take place in two parts - this fall and next summer. Currently the Public Works Department is reconstructing a short (approximately 300') section of Park Street. After this work is completed, work will begin on the storm drain system throughout the South Freeport Village. Approximately 20 catch basins will be replaced with new cast concrete units. Road reconstruction and re-paving is currently scheduled for the second half of next summer (August and September). Residents with any questions about the scope of work and timing of the construction project are encouraged to contact the Public Works Department at 865-4461.

Town Manager's Report September 15, 2015

Continued from Page One

Town Assessor Bob Konczal has completed the tax commitment process for 2016. The Town's tax rate has been set at \$16.80 per \$1,000 of valuation. This is an increase of \$1.00 per \$1,000 from last year's rate of \$15.80. This represents an increase of \$100 per \$100,000 of valuation. For example, a property valued at \$250,000 would see an increase of \$250 from last year's tax bill. This \$1.00 increase to the tax rate can be broken down as follows by taxing authority:

- Cumberland County: \$0.037 (3.7 cents)
- Town of Freeport: \$0.032 (3.2 cents)
- RSU #5: \$0.930 (93 cents)

(Note: there is a 0.1 cent rounding margin)

**Saturday, September 26th
10 a.m. – 2 p.m.
Freeport Public Safety
Building**

The Freeport Police Department is participating in the NATIONAL DRUG TAKE BACK INITIATIVE. Residents can bring unused, unwanted or expired medications to the Freeport Public Safety Building for proper disposal. During this program you may dispose of the following items:

- Controlled, non-controlled and over the counter substances (Medications may be disposed of in their original container, but we highly recommend removing the label from the container, or drawing a black line through the information)
- Liquid products such as cough syrup should remain sealed in their original container if possible. Otherwise the item should be placed in a sealed zip lock bag.
- Intra-venous solutions, injectibles and syringes **CANNOT BE ACCEPTED.**
