Minutes of the May, 2021 commission meeting were approved

Susan Hazzard requested more information about formal donations from private residents. Dan Piltch informed members that they need to be approved by the Town Council, but that he could look into a more defined process.

Other Business:

- It was discussed and decided that the park should open up the Pound of Tea House/game room for the summer.
- Raised crosswalks were discussed for the area before the gate that would lead from handicapped parking to the new ramp. It was decided that this should be further looked into/discussed.
- Dan Piltch informed the members that there is an intern at Town Hall for the summer that could help with grant funding. Neil Lyman will follow up.
- Susan Hazzard noted that more long term planning should be done for the park in order to best utilize space.
 - A specific concern raised by commission members was that of the bottleneck issue near the gatehouse/gate during busy hours.

Old Business:

Ongoing Projects:

- Neil Lyman reported that a new plan had been drawn up by the engineering firm for the beach access ramp, but that he had still not heard feedback from the town planning office/code enforcement. The new plan would meet code enforcement issues with parking, moving it to existing parking across the street.

New Business:

- **Park Fees:**
 - Park fees were discussed:
 - It was a general consensus that the Freeport resident rate on things should stay the same. It was discussed that waterfront campsites should increase \$10 per night and Inland campsites \$5 per night. Susan Hazzard commented that rates should be part of the long term planning process. Neil Lyman will send out the current fee schedule with the changes discussed. (see attached/to be reviewed and discussed)

Meeting adjourned @ 7:15
