RE: Response to Questions pertaining to the RFP for the Design Review Ordinance Update
DATE: Tuesday, April 23, 2024

Question One: What is the budget for this project?

Answer: The Town has appropriated up to \$80,000 for Ordinance work for which this would be one of multiple projects expected to be completed with the allocated funding.

Question Two: Is the town interested in becoming a Certified Local Government through the Maine Historic Preservation Commission, and should the work take this into account?

Answer: This is something that has been mentioned at a high level in the past, but nothing the Town of Freeport has committed to pursuing at this time.
