

Brewer Lot Parking rules – Non-resident commercial fishermen

Concerning the leased lot in South Freeport at the Harbor

Approved by the Freeport Town Council March 1, 2011

1. A limited number of these permits are available for use when the lot is open during the summer, available from the Harbormaster on a first-come, first-permitted basis.
2. The following information must be presented to the Harbormaster in order to qualify for a permit: (1) proof of commercial fishing livelihood; (2) proof of ownership of a fishing boat; (3) Town mooring number; (4) vehicle description and license plate number.
3. No overnight parking is allowed by this parking permit; vehicles must be removed by 11:00 pm.
4. If a permit is issued, it does not guarantee the availability of a parking space. If a space is not available, all existing rules on the waterfront still apply.
5. The permit must be placed conspicuously on the vehicle dashboard, driver's side. The permit is not transferable to another vehicle.
6. Up to three (3) spaces will be available under this program.
