**PUBLIC NOTICE – SITEWALK**  
**Wednesday, February 17, 2021 – 4:00 pm**

On Wednesday, February 17, 2021 at 4:00pm the Freeport Project Review Board will conduct a sitewalk at the 304 Pownal Road Subdivision (Tax Assessor Map 21, Lot 89). The applicant has submitted conceptual plans for a 6-lot residential Open Space Subdivision. Individual lots would be accessed by private driveways from Pownal Road. Approximately 33 acres of open space are proposed. Parking is available on-site. The walk will begin from the existing driveway entrance on the property.

The public is welcome to attend. Social distancing will be required for the entire time of the walk, and participants will need to keep a minimum of six feet of separation. Face masks are required. Questions may be asked, but will not be answered, however they will be recorded and answered at the next public meeting.

In case of inclement weather, please check the Town's website to see if the walk has been postponed [www.freeportmaine.com](http://www.freeportmaine.com)
