

Freeport Sustainability Advisory Board

is thrilled to announce that we will return to in-person/hybrid lectures with....

Corporate and Personal Investment Choices Sustainable and Social Responsibility in our Purchases and Investments

Please join us for an in-person/hybrid evening with two financial professionals

David Bennell & Anthony Eames

December 6 at 6:30 pm

IN PERSON: at Freeport Community Center - 53 Depot St

There will be socially distanced seating for up to 50 masked and vaccinated guests

And for those who feel more comfortable participating remotely

ON ZOOM: <https://us02web.zoom.us/j/89153028205>

David Bennell has worked in the corporate sector for Microsoft, REI, and LL Bean focused on R&D and leadership development. He has co-created the investor-funded for-profit social enterprise company CottonConnect, helped co-create a multimillion-dollar impact investing fund, and led the apparel industry standards development non-profit Textile Exchange.

Anthony Eames is a vice president and director of responsible investment strategy for Calvert Research and Management, a wholly owned subsidiary of Eaton Vance Management specializing in responsible and sustainable investing across global capital markets. He is responsible for the suite of strategies focused on responsible investing, encompassing actively and passively managed U.S. and international equity strategies, fixed-income strategies, and asset allocation funds.
