

Hi Johanna,

I'll be resigning from FSAB as of June 30 and I'm writing to find out how to officially submit my resignation.

I've been an FSAB member for 4 years, since the committee was founded in 2016. It's been a wonderful experience in so many ways - including meeting and working with great people like you!

I'd like to have more time to pursue other interests - I'm not getting any younger! And stepping off the committee makes room for new members with new ideas and energy - always a good thing. Judging by the turnout at our meetings and FSAB talks (back in pre-covid19 days), there seem to be many residents with interest in the area of sustainability. Yay!

I've let Josh know, of course.

Thank you,  
Kate
