Re: Non-resident card fee schedule

As we discussed, I'd like to revise the library's fee schedule for non-resident cards. I've taken a look at surrounding towns and their fees, and my proposal lands somewhere in the middle of the range. I feel the following is an appropriate change that gives individuals and families more options for purchasing cards based on their budgets and usage of the library.

Current:

- 6 months \$30
- 12 months \$55

Proposed:

- 3 months \$15
- 6 months \$30
- 12 months \$60

Non-resident cards are eligible for all library privileges and include everyone living in the household.

Please let me know if you have any questions or concerns.
