Re: Redistricting

As you all know, per the Town Charter the Town of Freeport must look at redistricting every five years to ensure that the districts remain balanced for voting purposes. At the current time our voter numbers are as follows:

District 1: 1,925

District 2: 1,941

District 3: 1,900

District 4: 1,879

Our total number of registered voters is 7,645. If each District were even they would each contain 1911 voters. While District 2 is slightly higher than the mean by 30 voters and District 4 is lower by 32 voters, I do not feel that this minor difference would warrant the Redistricting process which is very confusing to voters who get placed into a different district. I would recommend foregoing making any changes at this time.
