Re: Ordinance updates (Ch.2, Ch. 13, & Ch. 17)

Attached to this memo are proposed amendments to Chapter 2 - Freeport Administrative Code, Chapter 13 - Fire Prevention Code and Chapter 17 - Electrical Code Ordinance to be placed on the Town Council's next Agenda.

The proposed amendments include the updated codes and standards adopted by the various State Boards and the State Legislature. The Town is already required by Law to enforce the new codes/standards and the contractors are required to follow them as well as of on July 1, 2021, therefore the amendments are purely updating the Town Ordinances to be consistent with State Regulations.
