

ITEM # 157-23 HINES  
RESIGNATION

With much sadness I will need to end my time on the Freeport Board of Appeals. My intent was to say something in person on Sept. 11 however I will not be able to attend that meeting.

I have enjoyed my time back in city government and for working with you as well.

I will stop by the office one day this week and deliver the remaining items that I have.

Please let me know if you need anything further from me.

Kind regards,

Linda Hines
