Bid for 2000 Navistar IH 4900 Fire Dept. Tanker

Date: September 11, 2023
To: Whom it may concern
From: Fire Chief Glenn J. Holt

The Town of Leeds Volunteer Fire Department is submitting a bid of \$56,329.99 for the above described truck.

If we are chosen as the winning bid we are committed to refurbishing this truck and breathing many more years of firefighting service back into it. We are a small, rural, municipal department that has been searching for the last four years to find and purchase a truck like this. We currently have a rough quote of \$65,000.00 to do the required work to fix the truck and upgrade it to meet our department's needs. This truck has served your community well for over 20 years and I would like to see it do the same for ours. One of the great aspects of life in Maine is neighbors helping neighbors. We could certainly use a helping hand here. I can be reached at 207-212-9398 or by email at gholt501@yahoo.com. Thank you for your consideration.

Respectfully submitted,

Glenn J. Holt
