RE: RFP result for new Harbormaster boat

Council Members,

We received two quotes for a new Police boat and the Harbormaster and marine officer worked with the vendor and low bidder to arrive at a price that fits within our capital budget request for proposal.

They agreed to take our current boat in trade (\$26,738.00) and will allow us to continue to use it until they deliver our new boat sometime in the spring/summer of 2024.

After removing some items from our initial bid, we were able to meet the dealer at the authorized purchase price of \$180,000.00 .

I would ask that you accept this proposal from Chislett's Boating and Design LLC as submitted.

Thank you,

Chief Nathaniel Goodman

**Town of Freeport  
Bid opening  
Harbormaster Boat  
September 18, 2023**

Time: 5:00 p.m.

Present: Judith Hawley, Nate Goodman and Greg Mears.
