

Dear Christine and Ryan,

I moved to Brunswick earlier this month and am no longer a resident of Freeport which probably means that I have to respectfully request that you accept my resignation as a committee member. If so, I wish to stay on Ryan's mailing list for information on upcoming meetings and projects that I, as a member of the public, may attend.

Many thanks, Ryan, for your dedicated leadership and having me always feel like a worthwhile contributor. Moving to Brunswick was a sudden decision, but a positive one. I love Brunswick and Freeport, and will be no stranger to these towns.

Thank you for understanding.

Catherine Carroll.
