Re.: 2020 Cash Donation

Date: December 23, 2020

Enclosed is a check for \$200.00 made out to your Police Department in recognition of our appreciation for your kind and respectful staff's help to me and my wife Anne since we moved to this house a few years ago. I am certain you can direct this token amount to where it will be useful.

As I said in my email, your 911 team have been here promptly to help me after tumbles and once for my wife, who received a threatening email and calls from a person who Anne placed in a program for distressed kids, many years ago. A friend of ours was sufficiently concerned that he set up two, night-vision cameras, just in case her threats were acted upon. That was very reassuring and delightfully showed us a beautiful buck and his 2 does browsing on our flowers.

In short, my wife and I are extremely appreciative of your department's availability.

Respectfully,

A handwritten signature in cursive script that reads "Bob Ritchie".
