Dear Ms. Veilleux and members of the Freeport Police Advisory Committee,

I want to thank you for giving me the opportunity to serve with you on the Freeport Police Advisory Committee. Unfortunately, I am not able to continue to participate because my final lacrosse season and senior project obligations are starting, in addition to the preparation for my AP tests and my regular class commitments. Accordingly, I don't feel like I can give this committee the time and attention that it deserves.

I have enjoyed being a part of the Committee thus far, and I apologize for any inconvenience this causes.

I wish you all well and look forward to hearing about your continued work.

Thank you,
Savannah Tracy
