

TOWN OF FREEPORT, MAINE
30 Main Street
Freeport, ME 04032
(207) 865-4743 Fax (207) 865-0929

Peter and Chris-

A number of generous and compassionate Freeport residents have raised funds to provide relief for Freeport families who have had their household income significantly affected by the coronavirus pandemic. In particular, these funds will be provided to households which have seldom found themselves in a situation needing to seek assistance and are currently unable to maintain their essential needs because they either do not qualify for existing assistance programs or because these available resources are insufficient to ensure the overall health, safety and welfare of their family. Applications for assistance will be reviewed by a three person committee of town officials and grants will be made on a case by case basis and prioritized according to urgency and household circumstances.

Please place the following item on the April 28, 2020 Town Council Agenda:

Please accept the following anonymous donation to establish the Freeport Covid-19 Relief Fund: \$8,750.

Thank you!
Johanna
