We the undersigned resident property owners of Freeport, Maine, residing in the Winston Hill Retirement Overlay District, (also referred to in town records as *Greystone Freeport Living Retirement Community*) created October 17, 2006, Freeport Town Council Item #144-06 "To consider action relative to amendments to the Zoning Map; Commercial 2, Rural Residential 1, Resource Protection 2 and Medium Density Residential 2, to provide a Retirement Community Overlay District" are requesting that the Town of Freeport, Maine, repeal and terminate all rights and repeal this designated Retirement Overlay District in accordance with and by enforcement of the provisions set forth in Section 531 G. Town of Freeport, Maine Zoning Ordinance:

Section 531.G. The town may repeal a Retirement Community Overlay District created at the request of the property owners within the district and terminate all rights in the overlay provision if:
2. Substantial construction has not begun on the improvements shown in the approved subdivision and/or Site Plan within three (3) years of the Town Council's vote to create the district.
