Re: Discontinuance Request for a section of Concord Road

Dear Peter,

On behalf of L.L. Bean, we are submitting a request for consideration to discontinue a section of Concord Road. The limited segment bisects the combined properties for the L.L. Bean Corporate campus. Through granting the discontinuance, the Town will be relieved of regular maintenance of the discontinued area. Further, the discontinuance would allow L.L. Bean to construct vehicular and pedestrian access improvements. A figure of the proposed area of road to be discontinued has been included with this letter for your reference. We look forward to discussing the proposal at the next Council meeting.

Thank you in advance for your consideration.

Sincerely,

SEBAGO TECHNICS, INC.
