

Freeport Downtown Vision

Downtown Vision Draft Plan Open House

One of the last opportunities for community input!

April 9, 2022 11AM-2PM
Town Hall - Front Lawn

We are nearing the end of the downtown vision process, but there is still time to get involved! We need your input on the summary of ideas, refined plans, and designs based on the feedback and ideas gathered during Downtown Design Week. This is one of the last in-person opportunities for the community to give input on refined ideas going into the draft plan. Join us for a fun community gathering with a food truck to purchase lunch, and an early glimpse at refined plans for Downtown!

Register: www.freeportdowntown.me/open-house

Food truck to purchase lunch:

www.freeportdowntown.me

Family-friendly and Open to all! In the case of inclement weather, the event will be moved indoors at Town Hall. Masks are currently recommended, but not required inside municipal buildings. If you require ADA or special assistance to participate, please call the Freeport Town Office (207) 865-4743 option 5.
