

Town of Freeport Community Workshop

Freeport Sustainability Advisory Board (FSAB) Greater Portland Council of Governments (GPCOG)

Learn about:

- GPCOG's analysis of our town's current greenhouse gas emissions
- climate change impacts and vulnerabilities for Freeport

Community members will have an opportunity to:

- share their concerns and experiences around climate change
- give feedback on emission reduction targets and climate action planning

Monday, May 15, 6-8pm

Freeport Community Center 53 Depot Street
