SECOND ORDER OF BUSINESS:

ITEM #162-01 To consider action relative to accepting the corrected reapportionment map accepted May 8, 2001.

Chair Arsenault explained that an error in the district maps was found by Susan Campbell. Bev Curry advised that the map has been corrected and she pointed out where the corrections were made

on the map displayed in the Council Chambers. The wording was correct and the voter list is correct.

Councilor Mann looked at the map closely and noted that there are "islands" that should be cleaned up at some point. Mr. Olmstead indicated that to clean them up, the Town would have to go through an entire redistricting. Discussion followed. Councilors concurred that they should give this some thought and bring it back at some point.

MOVED TO QUESTION: Beaulieu & Stevens (4 Ayes) (1 Nay—Mann) (1 Excused—Soley).

BE IT ORDERED: That the corrected reapportionment map accepted May 8, 2001, be accepted. (Councilors Beaulieu & Stevens) **ROLL CALL**
