Fred Downing has made an offer of \$100.00 for the garage on the school property on Varney Road; this item will be put on the next Agenda for acceptance or rejection by the Council.

Regarding the Bragdon Road: Town Manager Benway found that in 1948 there had been a vote from the Town Meeting actually discontinuing that portion of the Bragdon Road.

Town Manager Benway suggested that a committee be set up for the purpose of reviewing the codification manual that Dick Cahill prepared and also the road standards prepared by the Planning Board.

Councilor Lunt brought out two issues in the October Monthly Reports:

1. Town Clerk's Report - a need for more voting booths.
2. Harbormaster's Report - damage done to the Harbor float.

Ken Carew stressed he would like to see printed Council Work Shop Agendas for the public.

Moved and Seconded - That the Council adjourn at 8:21 P.M.
